

About the Masters

The Masters is the very best in hair, and their world class team will place the focus on you. Trained in the latest hair fashion, **The Masters** staff and education team leaders have traveled extensively seeking new and exciting styles and techniques to bring home to Huntsville. Always on the cutting edge of hairstyling, **The Masters** has received numerous awards and titles throughout their 33 years as North Alabama's premier salon. The leadership team at **The Masters** includes the 2006 North American Hairstylist of the Year, member of the Paris Fashion board and past World Championship winners representing the United States. They have not only gone out to learn or to win but to teach as well. The Korean National, Australian, Mexican National and Icelandic teams have all received coaching from **The Masters** with the most recent teachings in Belgium, Germany and Russia. Some of the world's top stylists have learned from the talented professionals at **The Masters**.

Their experienced team of color experts offer custom design colors and specialize in corrections to help you find that perfect color you've been dreaming of. Their Men's barbering salon is for the male who wishes to have the highest in fashionable hair, but does not desire a salon experience. The years of training and knowledge are showcased on the main styling floor. Communication being a priority, you will sit down with a highly qualified team member for a consultation to discuss your look before receiving the very latest hair fashion. The Masters also specializes in bridal and special event styling.

At The Masters, the customer comes first, and you are guaranteed the finest in personalized customer service.
